

# You are warmly invited to an event to celebrate the award of a Maclaurin Fellowship from the NZ Institute of Mathematics and its Applications (the NZIMA) to Professor Geoff Whittle of Victoria University of Wellington

The programme will include a showing of the 30 minute video, “Porridge, Pulleys and Pi: two mathematical journeys”, that was produced by the MSRI and features eminent mathematicians Vaughan Jones and Hendrik Lenstra.

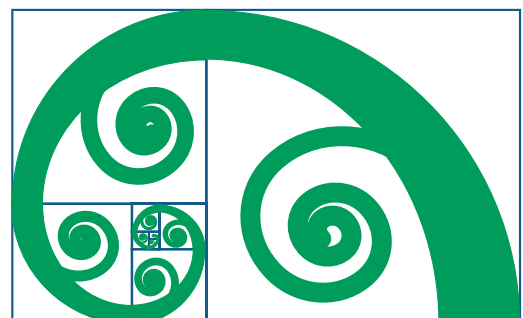

Drinks and light refreshments to follow.

🌀 Wednesday 14th June  
at 6.30 pm

🌀 Maclaurin Foyer,  
Kelburn Parade,  
Kelburn Campus,  
Victoria University of  
Wellington
